

IMC Summer School 2022

International Business Innovation

Quick facts

The **IMC Summer School *International Business Innovation*** will take place from **July 04 until July 15, 2022**, and builds on IMC University of Applied Sciences Krems faculty's expertise.

For two weeks an exclusive group of a maximum of 25 **international bachelor students**, from IMC's international **partner institutions, non-partner universities**, as well as regular **IMC students**, will jointly attend this intensive short program.

The participants will have the opportunity to learn how to

- Exploit opportunities for sustainable digital business innovation
- Design customer experiences and develop human-centered business innovations
- Lead corporate change in an effective & systemic manner
- Collaborate across cultures.

The program includes an **enrichment program** with the aim of offering both a high quality **academic and intercultural experience in Krems**.

The IMC Summer School takes place on-site in Austria, on IMC's Campus Krems. The program includes **social and cultural activities**, ranging from a city tour in Krems to a wine tavern visit (*Heuriger*), as well as social events. The aim is to give visiting students a taste of Austrian and European culture while providing opportunities for networking and socializing.
